### Paint it black!

This wonderful collaboration between Pro-Ject Audio Systems and the longest active band in the world, The Rolling Stones, has brought this one of a kind turntable to life. The Rolling Stones Recordplayer has the distinctive Rolling Stones logo on it, making it unquestionable as a true collector's item for any fan of the group! The supplied cartridge is premounted and comes from our trusted and respected partner Ortofon. The OM10 is a guarantor for audiophile playback and sound. This beautiful turntable is available in high gloss black as well as high gloss white and is a limited edition!
